Scheduling a Drive

To register for a drive time follow the directions below. There may be restrictions set on how often you can drive. The system will alert you if you select a date that is too close to another drive time.

1. Click on the [Schedule Drives](#) link located on the left-hand navigation panel.
2. Select a date that has the word [Open Slots](#) on the calendar. If the open link does not appear on a particular date, no drive times have been scheduled for that date. If the word [Full](#) appears, all sessions have been filled.
3. Select the specific time you would like to drive under the selected date.
4. Click on the  button.
5. Verify that you have selected the correct time and date and click on the  button.

 **IMPORTANT: If you do not confirm the drive time by clicking on the Register for Drive button you will NOT be registered for the drive.**

Canceling a Drive

Drive times may be cancelled at any time; however, a \$60 cancellation fee will be charged for all cancellations within 24 hours of the originally scheduled drive date and time.

To cancel a drive time, follow the steps below:

1. On your home page, click on the [Cancel](#) link next to the session you wish to cancel.
2. Verify that you have selected the correct session then click on the  button. If you are canceling within 24 hours, a warning notice will be displayed. Once the drive time has been successfully cancelled, a confirmation message will be displayed.
