

WHAT IS SPONSORSHIP?

The Registry of Motor Vehicles requires that the car used during the road test has a center console emergency brake, and that a sponsor is present DURING the road test. A sponsor is any one who is at least 21 years old, has had at least 1 year driving experience, and is licensed in his/her home state. Sponsorship is sometimes the easiest way to get a road test for students who aren't 100% confident and need that extra hour or hour and a half to refresh their minds and calm their nerves with a driving instructor

Sponsorship is available to any enrolled student, who has completed all driver education requirements and is certified. On every student's 12th driving hour they are given an evaluation. This is to determine whether or not the instructor thinks they could pass a road exam. If they are given a passing grade, then the student can use Grand Prix for the road test.

GRAND PRIX WILL NOT SPONSOR ANYONE THEY DO NOT FEEL IS ABLE TO PASS

Before a road test can be book, a student under the age of 18 must have a valid permit, have held their permit for 6 months, completed all driver's education requirements and have been certified. For adult driver's, you must have taken at least one lesson with Grand Prix.

We need the sponsorship paperwork, a road test application, and payment before we can book a road test.

Grand Prix will book the road test, and hold onto your paperwork until the test date. We will also reserve a car, and an instructor for your test.

You need to arrange transportation to and from the road test. Students will meet the instructor at the South Yarmouth RMV at the time of the warm up.

___ \$50.00 Car Use Only

___ \$80.00 1 hour warm up lesson and use of the car for the road test.

___ \$100.00 1 ½ Hour warm up lesson and use of the car for the road test.

Please be advised, that Grand Prix policy is to only book the \$50.00 car use sponsorship when one of our instructors will already be at the RMV for other road tests. Grand Prix will not book the \$50.00 sponsorship by themselves.

If you choose to use Grand Prix for your sponsorship we advise that you call the RMV and prepay the road test fees. This will prevent having to wait in the long RMV lines. You can contact the RMV at 1-866-627-7768. Follow the prompts to book a road test until you talk to a person. Then ask to prepay.

We hope this has explained what is sponsorship, if you have any questions please call the office in Hyannis, 508-771-1227.
